

## **Lighting equipment for Semmarit.**

### We bring with us:

Lighting board (DMX / 5 pin XLR)  
DMX cables  
2 x Griven Acrobat 250  
2 x Martin Pro Color  
Fresnels and Par Raylites

### We ask from You (see picture of the stage):

#### Electricity:

16 A for the PA  
at least 32 A for the lights

#### Lights:

White light for the faces  
- 8 profiles (or fresnels)  
Some colored lamps  
- par or fresnel at the back of the stage (yellow, red, blue and green)  
Moving Heads (at least 6)  
- Gobo or washlight
